

Sensory Storywalk

AT CHARTIERS PARK

1

Sometimes I may go to
Chartiers Park Sensory
Storytime

2

This is Ms. Carrie. The librarian
who does the Sensory Storywalk
program

3

This is where our Sensory
Storytime program starts

4

Sensory Storywalk is where I
can go to hear stories, sing
songs, and play.

Sensory Storywalk

AT CHARTIERS PARK

5

A parent or caregiver will stay with me during the Sensory Storywalk program

6

We will walk through the park to read our story together. This is the start of the storywalk.

7

After our story, we end at this playground.

8

We can play on the playground or have fun doing the centers Ms. Carrie brings.
